### **Supporting Documents/Blue Book Updates:**

# **Division Alignment Movement Process**

- 1. Sports chair sets up preliminary divisions by enrollment (18 team divisions)
  - a. Division 1 and 2 will have 9 schools
  - b. Division 3 and 4 will have 9 schools
- 2. Divisions may be preliminarily set up in any of the following manner. Schools should contact the sport chair if they may be in jeopardy of not fielding a team. The sport chair will strongly consider making that division a 5 team division.
  - a. 5-4 and 5-4 by enrollment
  - b. 4-5 and 4-5 by enrollment
  - c. 4-5 and 5-4 by enrollment
  - d. 5-4 and 4-5 by enrollment
- 3. A due date will be set and any school requesting movement, up or down in a division should send a letter to the Executive Director.
- 4. The Executive Director will send out email updates to the Athletic Directors when someone has sent a letter requesting movement.
- 5. After the deadline for movement letters, the sport chair will make a recommendation of the division alignment. The preliminary division alignment may change.
- 6. All requests, with or without a letter will be honored by enrollment first. Letters received will take precedent.
  - a. If two schools requesting to move down are in the 4 team proposed division, the smallest enrollment school will be granted the request to move down and the school in the adjoining division submitting a letter will be granted the request to move up.
  - b. If no other letters were received to move up, that division will be asked if anyone would like to move up and exchange with the smallest enrolled school. If not, the letter request is denied
  - c. This same scenario would be applied if more letters were requested to move up and a matching number of letters are not received to move down.
- 7. If a team in the top 9 teams, by enrollment, requests to move down to

the bottom half or a team from the bottom 9 teams, by enrollment, requests to move up to the top half of enrollment, those requests may be granted as long as there are 9 teams in the top half and 9 teams in the bottom half. Same procedures as above will apply.

## Wrestling Conference Team Playoff Bracket (Starting 2022-23 Season)

- 1. The division champion from each division will be automatically entered into a 6 team playoff
- 2. The remain 2 playoff spots will be determined by power rating
- 3. All BCIAA tie breaking procedures currently in place will also be used for wrestling
- 4. The six teams will be pre seeded by power rating
- 5. A seeding meeting will be held to set up the final playoff bracket
- 6. The #1 and #2 seeded teams from the coaches meeting will have a bye. The #3 seeded team will wrestle the #6 seeded team and the #4 seed will wrestle #5 seed in the preliminary round.
- 7. #1 seed will wrestle the winner of #4 5 match and the #2 seed will wrestle the winner of #3 vs. 6 match in the semifinal.
