#### 1. Opening Remarks

-November 10, 2023 General Membership Minute Approval -Motion by Reading, second Conrad Weiser – unanimously approved.

### 2. District III/PIAA Report & Update

-Girls wrestling (2<sup>nd</sup> reading) scheduled for tomorrow. May not go into effect for next year – timeline still being discussed. -PIAA approved that the maximum time limit for HS varsity contests can now be used at all sub-varsity levels. Each league can set their own sub-varsity times. BCIAA Board discussed and plans to keep current sub-varsity contest times how they have been and are listed in the Blue Book,

-Anyone ejected from a scrimmage must sit out the next competition. -Up for 3<sup>rd</sup> reading approval, a District committee can request schools to submit a written plan of how they will address multiple ejections.

### 3. Executive Director and Board of Directors Reports

-Treasurer Report & Approval

-Checking Account - \$115,352.27

-Investment Account - \$29,556.80

# -Motion by Schuylkill Valley, second Muhlenberg – unanimously approved.

-Winter Playoff Financial Report

-Santander Arena Information – some issues this year with minor damage in locker rooms since coaches didn't have whiteboards to use. Also had issues with some gaps in the floors on Tuesday and Wednesday night (court was also facing the opposite direction for team bench markings) and nets on baskets not properly installed. -After meeting with the Santander Arena rep, the settlement will be just over \$8000. Both girls and boys semi-final attendance was very low this year, final was very well attended. In the future will remove food for game workers and videographers which should save about \$3500 in expenses. Also suggested to combine semifinal nights and play 4 games all on Wednesday.

-Kerry is talking with Kutztown University about them being a potential host for basketball playoff games to be able to compare the differences between Santander and KU.

-All winter sport playoff financial reports were sent via email to each school.

-Winter Sport Chair Reports

-Bowling – overall things went well, some concerns about match start times and not being able to be finished before leagues start at night. -Wrestling – first year with having 4 divisions and how All-Division is picked. Coaches are working on updating Blue Book all-star selection criteria and may just take the best 14 wrestlers for all-division and not based solely on weight classes. Looking into the ability to add girls brackets into the individual tournament, which will help with downtime between rounds of the boys tournament.

-Basketball – regular season went well, seeding meeting also went very well. Playoff issues addressed above.

-Board meeting with official chapters

-All chapters had representation at the last BCIAA board meeting. Discussion with the chapters about the BCIAA, how the BCIAA board and general membership work so that they had a better understanding of why things are in place and the general process of how we evaluate surrounding leagues that touch Berks County when creating official fee schedules.

-Discussed Arbiter and 1099s and the legal requirements, none of which are controlled by the BCIAA. Asked chapters to continue to use Arbiter Pay since some schools will only pay that way, and the plan is for all 18 member schools to be using Arbiter Pay.

-Overall the board felt the discussion went well and was informational for the chapters and the board. While a lot of the discussion was based on fees, the main issue is the abuse that officials are facing and giving it up because of the way they are treated.

-Media/Photographer Credentialing

-Concern about photographers at basketball playoffs – insurance company recommendation is that any photographer near the playing area has their own liability insurance.

-Rich is working on an update to the Blue Book for media and photography credentialing.

-Individual Wrestling Tournament Athletic Training

-St. Luke's is charging \$5000 for athletic training services – still working on alternative ways to cover the individual tournament.

-April 30<sup>th</sup> – Frank Ferrandino will be inducted into the PA Wrestling Hall of Fame. The Berks Chapter of the PA Hall of Fame also has their induction the same day.
